

21th International Gutenberg Cup 2020 | SAV Mainz-Laubenheim

Introduction

The SAV Mainz-Laubenheim is pleased to invite you to our International Acrobatic Gymnastics Tournament; the "21th Gutenberg Cup".

For the 21th year in a row, we welcome you in the state capital Mainz.

Name giver of the Cup is the most famous son of the city Mainz, Johannes Gensfleisch, called Gutenberg (*about 1400 in Mainz; † 03.02.1468 in Mainz). He is considered the inventor of modern printing with movable metal type printing and the printing press. The use of movable type from 1450 revolutionized the traditional methods of book production which triggered a media revolution in Europe. Gutenberg's invention spread rapidly throughout Europe and later around the world and is considered a key element of the Renaissance. Especially his main work, the Gutenberg-Bible, produced between 1452 and 1454, the work is generally famed for their esthetic and great technical quality. (Origin: Wikipedia)
