

3rd International Augsburg Acro Cup

In 2021, the Augsburg Acro Cup was held for the first time as an alternative to the cancelled Bavarian Championship during the pandemic. We had a lot of registrations and had to put some athletes on the waiting list then, as in 2022.

It was therefore important to us to redesign this 1-day competition in a narrow hall. The venue offers plenty of space. In addition to the competition area, there will be another floor gymnastics area and a mat field. The hall can accommodate up to 1000 spectators. Königsbrunn is a suburb of Augsburg, Germany.

We look forward to seeing you!
