## 4th International Augsburg Acro-Cup 01. – 03.05.2025

### I. General Information:

2021 was the first Augsburg Acro Cup as an alternative to the Bavarian Championships, because they had to be canceled due to pandemic restrictions. We had so many registrations, that we sadly had to put many athletes on a waiting list. That was our reason to search for a bigger venue and to expand the former 1-day-competition into a **3-day-event**. The new venue, since 2024, has a **separate gym for warm-up** and can fit about **1000 spectators**. It is located near Augsburg, Bavaria.

We are looking forward to seeing you all!

Felix Kuntoro
