Dear acrobatics enthusiasts

For many years, Switzerland has been a guarantor of large and well-organized acrobatics events. Many nations and clubs have already experienced the hospitality and special flair of Switzerland and the city of Winterthur.

We at TV Neue Sektion Winterthur will continue this tradition in 2026 and once again present the world with a highlight in the acrobatics calendar.

We look forward to welcoming as many friends from the acrobatic gymnastics family as possible, from near and far, to Winterthur for the "3rd NSW Acro Trophy."
