

State Coach Acrobatic Gymnastics (m/f/d)

Baden-Württemberg Acrobatic Gymnastics Federation
Part-time · 20 hours/week · Starting as soon as possible

The Baden-Württemberg Acrobatic Gymnastics Federation is looking for a **State Coach in Acrobatic Gymnastics** to support and further develop our high-performance youth programme.

Your responsibilities

- Coaching and development of the Baden-Württemberg state squad
- Regular squad and performance training
- Planning and delivery of squad training camps
- Talent identification and development of promising young athletes
- Close cooperation with personal coaches and clubs
- Preparing state squad athletes for the transition to the **German national squad**

Regular training takes place mainly in the **Sindelfingen, Göppingen and greater Aalen areas**, as well as at other agreed training locations.

Due to the different training locations, living centrally within the region would be an advantage.

Your profile

- Solid coaching experience in **Acrobatic Gymnastics**
- Existing national or international coaching qualification
- Ideally a sports-related vocational qualification or university degree in sport
- German Coach A Licence or an equivalent international qualification is an advantage
- If not yet available: willingness to obtain the qualification required for the State Coach position in accordance with the requirements of the **Landessportverband Baden-Württemberg (LSVBW)**
- Experience in performance-oriented youth or elite sport
- Independent and responsible working style
- Willingness to work regular evening training sessions and squad training camps on weekends

International applications are expressly welcome.

Foreign academic and coaching qualifications may be assessed for equivalence in accordance with the requirements of the LSVBW.

English can be the working and coaching language. German language skills are an advantage.

We offer

- **20 hours per week / 50% position**
- Significant professional freedom in shaping the performance programme
- Predictable working hours based on fixed training sessions and scheduled squad camps
- Support for further coaching education and professional development
- **Approx. €2,000–€2,900 gross per month**, depending on qualifications and recognised professional experience, in accordance with the remuneration system for high-performance sports staff of the Landessportverband Baden-Württemberg
- Long-term development opportunities, potentially including a **future full-time position within the national governing body**

Application

Please send us:

- your CV
- an overview of your previous coaching experience
- existing coaching licences and educational qualifications
- your earliest possible starting date
